I. PURPOSE

II. STATUS

The Project was submitted for approval on 31 May 51. It is in process of being coordinated with PW, SP, and Plans. If coordination is completed, it will be submitted to the Project Review Board on 29 June 1951.

III. FY'52 PLANS

Approximately 50 agents will be recruited, processed and trained. Infiltration and establishment of bases will follow as soon as possible after training. PW will be initiated slightly prior to operations in order to build up morale and to prepare the people to accept and assist OPC operations. The recruitment of approximately 500 agents to form the nucleus of the guerrilla forces for use in wartime is planned. Extensive support facilities will be required for these agents. In lieu of existing Romanian organizations which appear unable to unite, it is possible that a new organization will be formed to assist OPC.
